Coursework TIPS- do college classes first

- LTCC- term type: QUARTERS
- Tuition: Not Applicable: NA
- Mark "Freshman" for every year
- Need LTCC Transcripts to complete
- Add Quarters then classes in each Quarter
- Mark off college classes added from STHS transcripts as you go (do not input one class twice)- class title might not match!
- "DE" on STHS transcript are college classes- go on college coursework list ONLY

Coursework TIPS- Input High school courses second

- Start with 9th grade (do not input 7th/8th)
- Click on Green checkmark to move forward
- Use dropdown classes as much as possible
- Don't forget to change the year when moving from 9th to 10th to 11th to 12th
- All 12th grade classes are in progress Fall or planned Spring
- Mark off Classes on transcript as you input
- Input classes with "p" on transcript only

General Tips

- High school dates: August 2020- June 2024
- STHS- term type: SEMESTERS
- Need State ID # (SSID)- bottom left of STHS transcripts
- Leadership skills: YES
- EOP- extra app for students who want AVID-like help in college.

OTHER TIPS

- **Standardized Test** section: This section is NOT factored into acceptance. AP tests - include those taken and planning to take. Look up exact dates. Scores of 3-5 only.
- **A-G Matching:** Only need to do for college classes and if you didn't use dropdown for HS class. For college classes, if class doesn't fit in A-F, pick G
  - Make sure that you have all the required years in the A-G categories. Use the side chart to determine.
