# Where Do I stand?

a) When it comes to conflict, I

- 1 - avoid it.
- 2 – think about it and what I should do.
- 3 – try to solve it.
- 4 – have an “I don’t care” attitude.

b) When I have to do something I don’t want to do, I

- 1 – worry about it.
- 2 – just suck it up and do it.
- 3 – just do it, but with my own twist to it (on my own terms).
- 4 – spend time making up an excuse that will get me out of it.

c)) When I really want to learn something,

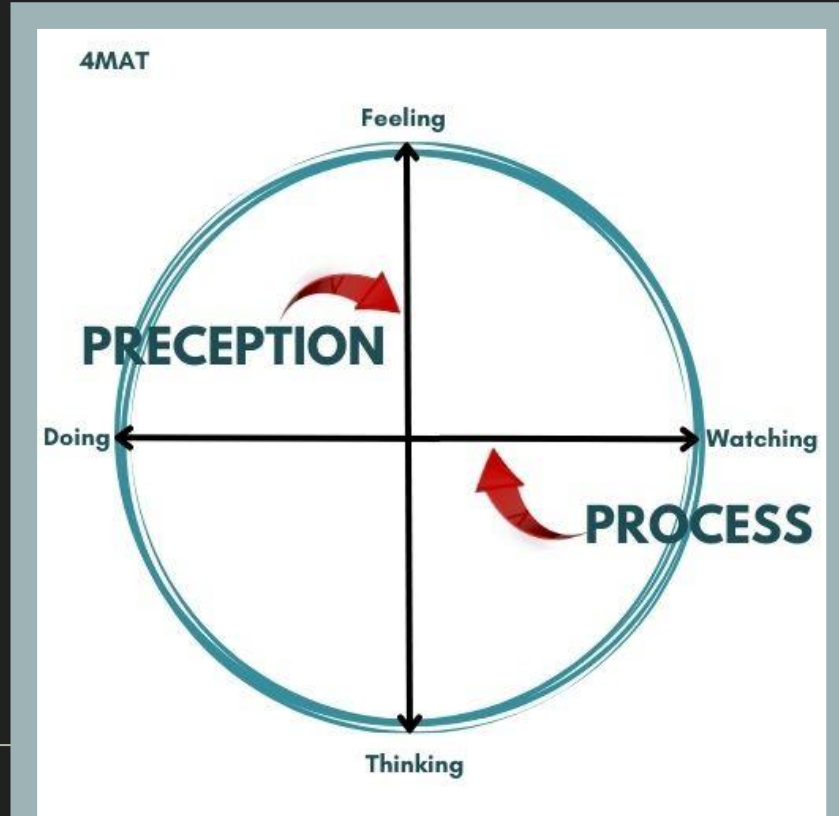

- 1 – learning it will depend on how much I like the person teaching it.
- 2 – read it and study it.
- 3 – try it first, and then read the manual if its really needed.
- 4 - give me a good reason to do it, and then let me teach someone else.

d) When it comes to homework or work outside of my work hours, I

- 1 – want someone to help me get started.
- 2 – want step by step directions on how should be done and how long it will take.
- 3 – can do it all in my head and don’t like to be told how to do it.
- 4 –wonder “what if I don’t do it?”
