The IMPACT of the Tahoe Learning Haven for the 2025-2026 year

Tahoe Learning Haven had a great year! This year, we did keep our focus to topics for teenagers and their families and felt that this worked well for the community. We had over 600 participants, dozens of experts and almost 70 volunteers at our 14 different free forums. Our collaboration with LTUSD (STHS especially) grew, and we look forward to this continued partnership.

TLH strives to promote learning & help change the culture towards education amongst our students, our parents, and within our community here in South Lake Tahoe. The love of learning, the understanding of our educational systems, and the active engagement of our students are the priorities we hope to instill in those who choose to join our adventures.

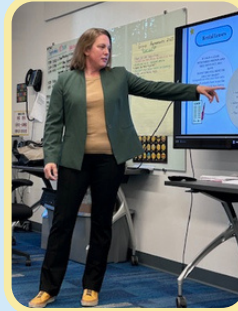

Our scholarship, a 4-year renewable scholarship, went to Diem Johnson this year...she will be pursuing a degree at Cal Poly SLO. Our scholarship is open to any graduating senior who has attended at least one of our forums, is well rounded, and plans to study at a 4-year university!

THANK YOU!

to Tahoe Learning Haven board, our amazing volunteers and of course the experts who make each forum/fair possible!

TLH Board: Bri Alamilla, Michelle Beall, Tara Christian, Marlen Guerrero, Jennifer Stafford, Melissa Uppendahl; Program Director: Kathy Haven; 6-time expert: Kim Ilvento
